DevOps Engineer

Aulad ko hamesha Faulad banana hai

1 Tier application ko Windows Local Computer pr deploy karna ✓

1 Tier ko Linux Computer pr deploy karna - Killercoda ✓

1 Tier ko Cloud pr dalna hai
- Azure
- GCP
- AWS

Cloud pr computer kharid na hai
Jaise fb, insta, meesho flipkart pr account bnta hai

- USA
- India
- Europe

Cloud pr infra kharidne ke lie ek account chahiye

Kharidne ka 2 Tarika
- Manual
- Automation

Kharidne ke lie sabse pehle authentication and authorization

Azure Entra ID
